

SisterSpace Weekend 2018

Linda Bacon Bass Memorial Scholarship Application

SisterSpace has created a new procedure for requesting Scholarship assistance. There is a very limited amount of funding available and our goal is to help as many women as we possibly can. We welcome women to apply for a rate reduction if they are economically unable to attend without assistance. We ask that only women who are truly excluded from the sliding fee schedule price range apply. Please follow the steps below if you are in need of financial assistance. A fully completed and legible form is necessary for processing your request as we receive numerous requests and want to give each applicant due consideration.

1. Please return the **completed** legible form to us as soon as possible. It must be received before the deadline of July 25, 2018. Decisions will be made within 3 weeks and you will be notified if we are able to accommodate your request. Payment will then be due **in full** within 14 days.
2. We will acknowledge receipt of the application with an email or a phone call in addition to a semi-completed registration from requiring your signature to be returned with the agreed upon payment amount. If additional information is needed, we will clarify this in our response. Please be sure your contact information is correct.
3. Scholarships are limited, not guaranteed and are offered on a sliding scale based on multiple criteria. We will be awarding assistance ranging from 25% - 75% of the lowest registration fee, which is \$305.00 (less the work shift refund at this time). Every woman is expected to contribute as much as she can – there are **no** 100% scholarships. Please let us know how much of this base fee you are able to commit to, as this will allow us to assist more women to attend the weekend.
4. Once you accept the terms of the Scholarship offered, please return the signed registration form with payment in full within 14 days. If we do not receive proper payment and your registration form is not on time, the Scholarship will be offered to the next woman on the waiting list.
5. Be aware and agree that each scholarship recipient is expected to work 2 two hour shifts wherever and whatever shift is needed. We will try to assign your work shift prior to arrival on the Land but there is a possibility that it might be changed due to necessity. If you have limited capability please indicate on the application and accommodations will be made.

Be assured that any information you disclose will be kept confidential and will only be shared among the deciding committee. We will be as fair as possible when making our decision. We are trying to build a stronger, more sustainable community and ask that you participate in this process honestly. Our funds are limited and we wish to be able to extend the SisterSpace Weekend opportunity to as many women as possible. We are grateful for your interest.

If you have any questions, or need assistance filling out the application please give Addie Wilson (267) 334-1173 a call or you can contact her at Addie1od@msn.com.
